Speed of the Sound of Loneliness

John Prine

You come home late and you come home early You come on big when you're feeling small You come home straight and you come home curly Sometimes you don't come home at all

So what in the world's come over you And what in heaven's name have you done? You've broken the speed of the sound of loneliness You're out there running just to be on the run

Well, I got a heart that burns with a fever And I got a worried and a jealous mind How can a love that'll last forever Get left so far behind?

So what in the world's come over you
And what in heaven's name have you done?
You've broken the speed of the sound of loneliness
You're out there running just to be on the run

It's a mighty mean and a dreadful sorrow
It's crossed the evil line today
How can you ask about tomorrow
When we ain't got one word to say?

So what in the world's come over you And what in heaven's name have you done? You've broken the speed of the sound of loneliness You're out there running just to be on the run

You're out there running just to be on the run You're out there running just to be on the run You're out there running just to be on the run
