

# Call and Responsey

John Reuben

Johnny and Alonny  
Enough dirty laundry  
In a world gone wrongly  
I feel a presence on me  
To some that might sound daunting  
So drop that beat real promptly  
Go on and start applauding  
I found a place of belonging  
To the onlookers that's watching  
Jump in, warm it up like a hot spring  
Get sloppy, they might start mocking  
Play on, really who's it bothering?  
Pish posh, you can stop hem hawing  
Water breakson the time we're pausing  
It's Jonathan and Alonathan in the optimum  
Oh look and (Seth) then we're popping in

Johnny and Alonny  
We go together fondly  
Like brie and salami  
Or call and responsey  
Gimme that la la la  
(la la la)  
Na na na  
(Na na na)  
Da da da  
(Da da da)

Yo hit 'em with a woo! like I'm Ric Flair  
Yeah, clean out the if you don't hear me clear  
Yeah, play the wall if you hate and please stare  
But best to steer clear, we niceand don't care  
Yeah, we charge atmosphere  
We tap dance over beats like Fred Astaire  
On to the next after done with word flexing  
Bomb that brain set with what we serves here  
Yeah, astounding crowd moving  
Saluting with them hands when these dudes start spitting

Yup - ain't found a block where my crew No - been there, no booths in your v  
illage  
Yo check media spillage  
Pied piper coming through with fresh pillage  
Vintage sound better and true gift inspiring  
Blazing hot on fire like Africa heat sweltering

Johnny and Alonny  
We go together fondly  
Like brie and salami  
Or call and responsey  
Gimme that la la la  
(la la la)  
Na na na  
(Na na na)  
Da da da  
(Da da da)

Sterilize sanitize Purell the microphone  
For those who don't know I'm a germaphobe  
To the emcee before me please don't be insulted  
My apologies, I'm obsessive-compulsive  
Ugh - a bit claustrophobic  
I see the crowd glistening from all the sweat  
When it's time to rock it don't get better than this  
I almost didn't show up but what would I miss?

{Again}  
Johnny and Alonny {and Seth}  
We go together fondly {yep}  
Like brie and salami  
Or call and responsey  
Gimme that la la la  
(la la la)  
Na na na  
(Na na na)  
Da da da  
(Da da da)
