

# Him Her He She

John Reuben

Well I'm a John Reuben from the land or corn  
Columbus, Ohio that's where I was born in  
By mom Kathleen on January 14  
1979 I entered the scene lookin' like  
Hello mother girl what's goin' on

One moment I'll be here and then the next I'll be gone  
But while I'm chillin' out there's somethings I'd like to see  
Like some sanity, some family and some diversity  
Well look at me in a flash my time's passed and I've aged  
Adrenaline within me has got me up on the stage  
Lookin' for ways to amaze and light up  
the place it was me and nine other mc's called the showcase  
Ten immature young bucks run amuck,  
throwin' out whatever's clever and just hopin' it stuck  
What what what's goin' on there moving  
to the beat, I guess that's why we have no choice but to keep

Chorus: x 2

We makin' fresh vibes bringin' fresh songs  
Man we keepin' it fresh hopin' that ya'll come along  
Goin' with him, her, he or she

I'm sayin' him, her, he or she  
A John Reuben gotta lotta somethin' for everybody  
Step into the party tardy in fashion  
Up in here this year quite clear with a passion  
To make it happen and I'm loving life  
fact see God is good and I won't backtrack  
But move forward bendin' words in ways not thought possible  
See any beat is rockable this feelin' is unstoppable

Because the mind is full of creative energy  
I'm not leavin' tonight until my brain is empty  
Thoughts pour out as I skillfully explore out  
Routes n' patterns in which to flex  
raps I'm gatherin' kids from all directions, multicomplexions  
You feelin' this then add a pound to the collection  
Another session yes I'm there move back  
bring in the boom sti cat to boom ta boom cat  
Like that we keep it simple n' fresh like yes ya'll yes

Chorus: x 2

I got eight bars to fill in  
So it's time for me to start skillin'  
N' it's time for me to start illin'  
Party people in the back cold chillin'  
All people get live n' all people get live n' energize with me  
All people get live n' energize with me

Chorus: x 2

We go with him, her, he or she  
Him, her, he or she ( x 5 )  
Him, her, he
