

# I Love You Like That

John Rich

Lord only knows just how far I would go  
to show you the way that I feel  
This rumbling inside me  
Continually drives me  
Like ten thousand chariot wheels  
Ohh, I love you like that  
Yes, I love you like that

Anything, Anywhere, its beyond all compare  
Ohh, I love you like that.

Like the mountains that rise  
Almost touching the sky  
As tall as the oceans are deep  
Like the stars of the galaxies  
And everything in between  
And farther than my eyes can see  
Yes, I love you like that  
Ohhh, I love you like that.  
Anything, Anywhere, its beyond all compare  
Ohh, I love you like that

Its not enough to say,  
So I'll show you everyday  
How much your love means to me  
This promise I'll make you  
To never forsake you  
To my dieing day  
I will keep  
'cause I love you like that  
Ohh, I love you like that.

Anything, Anywhere, its beyond all compare  
Ohh, I love you like that.
