

# I Don't Know What I Like About You Baby

John Travolta

I don't know what I like about you, baby  
But I'm wakin' up in firelight  
Spinning like a crazy wheel  
Feels so good to be in love again  
I don't know why I love to love you, baby  
But your touchin' somethin' in my soul  
Suddenly I've come undone  
Feels so good to be in love again

And I'm not questioning what's goin' on today  
Whatever's happenin' don't let it go away  
And I say I don't know what I like about you, baby  
Maybe, it's you

And I'm not questioning what's goin' on today  
A million 'thank you, babe's would just get in the way  
So I say I don't know what I like about you, baby  
Maybe, it's you

Maybe, it's you
