

# I Think You Might Like It

John Travolta

Here comes my hometown  
It's so good to get my wheels down  
I'm coming home tonight  
Here comes that magic  
That spell of Christmas Eve  
There's nothing you can do  
When you're having fun to sleep

My mind is going  
A little crazy knowing  
You're coming home tonight  
I can't help smiling  
To strangers on my street  
I'm singing to myself  
And tripping over my own feet  
I'm coming home

I've got a little plan for you  
I think you might like it  
Let's do a little dance for two  
I think you might like it  
And then we're gonna hideaway  
Making up all night  
And we can cry tomorrow  
Wash away so wonderful why  
I think you might like it

Oh baby I kind of like  
So many got to come by  
Hey I'm coming home tonight  
Your mama's gonna swinging  
Do you hear what I hear  
And in a little while she'll be swinging from the chandelier

No stopping at the ways  
Tickling the ivories  
I'm coming home tonight  
Whole town gonna be there  
It will be a squeeze  
You better put your sleigh  
In a holding pattern Santa please  
I'm coming home
