

Ain't No Sunshine

John Waite

Ain't no sunshine when she's gone
It's not warm when she's away
Ain't no sunshine when she's gone
And she's always gone too long
Anytime she goes away
I wonder this time where she's gone
I wonder if she's gone to stay
Ain't no sunshine when she's gone
And this house just ain't a home
Anytime she goes away
Oh yeah, yeah, I know, I know
I know, I know, I know, I know it
Every single day
I know, I know, I know, I know
Ain't no sunshine when she's gone
Only darkness everyday, yeah
Ain't no sunshine when she's gone
And this house just ain't a home
Every time she goes away
Ain't no sunshine when she's gone
And she's always gone too long
Every time she goes away, yeah
I know, I know, I know, I know
I know, I know
Every single time she goes away
I know, I know, I know, I know
Miss her every single day
I know, I know, I know, I know
I can't leave that thing alone
There ain't no sunshine when she's gone
Ain't no sunshine when she's gone
And she's always gone too long
Every time she goes away, oh yeah
Ain't no sunshine when she's gone
And this house just ain't a home
Every time she goes away, oh yeah
Ain't no sunshine when she's gone
And she's always gone too long
Every time she goes away
