

# Whenever You Come Around

John Waite

Face of an Angel, pretty eyes that shine  
I lie awake at night wishin' you were mine  
I'm standing here holding the biggest heartache in town  
Whenever you come around  
I get a weak in the knees  
And I lose my breath  
Oh I try to speak but I can't find the words \*\*\*  
I'm half scared to death  
'cause when you smile that smile  
My world turns upside down (yeah)  
Whenever you come around  
I get so helpless, I feel just like a kid \*\*\*  
What is it about you that makes me keep these feelings hid  
I wish I could tell you but the words just can't be found  
Whenever you come around  
I get a weak in the knees  
And I lose my breath  
Yeah I try to speak but I can't find the words \*\*\*  
I'm half scared to death  
Cause when you smile that smile  
My world turns upside down  
Whenever you come around  
Whenever you come around
