Stay At Home

Johnathan Rice

The soldiers will run and the guns they will blow them away They're choking on sand in some faraway land today Don't go Was it you that I saw in the market just losing your way With your head in your hands and baby just crying away Don't go Stay at home Such a sad sight to see all the sweethearts alone in their room s The dancehalls are empty under the summer moon Don't go Stay at home Stay at home
