

Just Because

Johnnie Taylor

Just because I raise a little sand
I might be tired
Lady, try to understand
That doesn't mean
That you done something wrong
(Just because)

And just because when we have a little fight
And I walk out the door and stay out all night
It doesn't mean that I won't be coming home
(Just because)

I love you, I love you
What else can I do or say?
(Just because) Whoa
Honey, I love you, I love you
Whoa, I love you
What would it take
To make you want to stay?

Just because when sometime
You want to make love
Girl, I tell you not tonight
Try to understand

I work hard all day
Darling, I'm doing the best that I can
(Just because) Oh yeah
But if you want to go
It's up to you

But I can tell you right now
My whole world is going to be misty blue
I'm begging you, please
Please, please, please stay
Honey, don't you hear me?

I love you
Oh, I love you
What else can I do or say?
(Just because)
I love you

Oh, I love you, I love you
I love only you
What would it take
To make you want to stay?
(Just because)

Oh, I love you, I love you
(Just because) Ooh
