

# Where Can A Man Go From Here

Johnnie Taylor

Too hurt to smile, too proud to cry  
Afraid to stay with you, can't tell you goodbye  
Now where does that leave me?  
And where can a man go from here, oh yeah

You see, once again  
I've been pushed aside  
One more time, I control goodbye  
Now where does that leave me?  
What can a man go from here?  
Don't leave me much choice, baby  
Mmmmm

Darling you need lead on  
Just like I'm a child  
Then you walked off and left me  
But she gone and more left town  
I'm lost in the world

So cruel, and so green  
It's alright, I go put my eyes  
And now, I can see

And this is where she is no good to have her love  
That love somebody else  
'Cause when the deal go down, go down, go down  
You will be the one that's left  
Now where does that leave me?  
And what can go from here  
Somebody out there tell me  
If you got the answer, I want to know  
Oh, oh, oh, oh, oh, oh

You see I'm lost like a shark in darkness  
I wanna know, I wanna know, I wanna know  
Can I
