Johnnie Taylor

You can't get away from it  
No matter how hard you try  
'Cause if you really love someone  
You can never say goodbye

Now they can walk on you  
Lie about you  
Mistreat you and then  
Even doubt you

But with all of these things  
You know that there'll be love  
So high you can't get over it, and then  
So low you can't go under it

You can't get away from it  
No matter how hard you try  
When your days and nights are ending  
You want to hear your baby's tender sigh

Even strong men will cry  
Turn his back and wipe the tears from his eyes 'cause

You know that it's  
So high you can't get over it, and then it's

So low you can't go under it, yeah

Oh, you can't get away from it  
No matter how hard you try  
'Cause if you really really really really really love someone  
Now you can never say goodbye

Now they can walk on you  
Lie about you  
Mistreat you  
Even doubt you

But with all of these things  
You know that there'll be love  
So high you can't get over it, I know, and  
So low you can't go under it, I know

You can't get away from it

Forget my trouble  
Thought about my baby  
I come back on the double
