

## Tetched in the Head

Johnny Horton

Tetched in the head that's what they say  
Pay 'em no mind feeling ok  
Each little breeze carries all my cares away

Tetched in the head go where i choose  
Having a sin nothing to lose  
Always at ease everyday's a holiday

Maybe i'm lazy maybe i'm hazy  
Maybe i'm wasting my time  
Why should i hurry why should i worry  
I can be happy without a dime

Tetched in the head having a care  
I wouldn't trade with a millionaire  
That's what i said i'd rather be tetched in the head
