

How 'Bout Us

Johnny Mathis

Ooh, short and sweet
No sense in draggin' on past our needs
Let's don't keep it hangin' on
If the fire's out, we should both be gone

Some people are made for each other
Some people can love one another for life
How 'bout us
Some people can hold it together
Last through all kinds of weather
Can't we

Now don't you get me wrong (watcha you saying to me baby)
'Cause I'm not tryin' now to end it all (let's start something new)
It's just that I have seen (what have you seen)
Too many lovers' hearts lose their dreams (we won't lose it)

Some people are made for each other
Some people can love one another for life
Well how 'bout us
Some people can hold it together
Last through all kinds of weather
Can't we

How 'bout us
How 'bout us, baby
How 'bout us
How 'bout us, baby
How 'bout us
How 'bout us, baby

Are we gonna make it girl
Or are we gonna drift and drift and drift together

Some people are made for each other
Some people can love one another for life
How 'bout us
Some people can hold it together
Last through all kinds of weather
Can't we
