

Lead Me to Your Love

Johnny Mathis

When I need you
When I'm falling
When I'm free like the wind but want so much
Just to be yours alone
Come and take me home
When I can't find the way without your touch
Lead me to your love
Lead me to your love

Life is life
You were so right
Hard to really find compassion
Take a heart slowly breaking apart
Some will tell you that they care
Some will leave you standing there

When I need you
When I'm falling
When I'm free like the wind but want so much
Just to be yours alone
Come and take me home
When I can't find the way without your touch
Lead me to your love
Lead me to your love

I can say call it a day
Such an easy conversation
Friend to friend
Feeling strong once again
Then I wonder where you are
I want to go just where you are

When I need you
When I'm falling
When I'm free like the wind but want so much
Just to be yours alone
Come and take me home
When I can't find the way without your touch
Lead me to your love
Lead me to your love

I don't want to be so lonely
Come on, darling, hold me, hold me
Take me to the place where I belong

Just to be yours alone
Come and take me home
When I can't find the way without your touch
Lead me to your love
Lead me to your love

When I need you
When I'm falling
When I'm free like the wind but want so much
Just to be yours alone
Come and take me home...
