

## Halfway to Paradise

Johnny Nash

I want to be your lover  
But your friend, is all I'll stay  
You leave me halfway to paradise  
So near, yet so far away

I long for your lips to kiss my lips  
But just when I think they may  
You leave me halfway to paradise  
So near, yet so far away

Bein' close to you is almost heaven  
But seein' you can do just so much  
It hurts me so to know your heart's a treasure  
And that my heart is forbidden to touch

So put your sweet lips close to my lips  
And tell me that's where they're stay  
Don't leave me halfway to paradise  
So near, yet so far away  
I don't wanna be halfway, no no no no, to paradise  
So near, yet so far away
