

Don't You Say Nothin' at All

Johnny Paycheck

Well look here mister I just came in here for a drink
I don't know you from the next guy
How you live or how you think
But don't you start your bad mouth
As you picked it up and let it fall
'Cause if you can't say something good about me
Don't you say nothing at all

Well I've got the bartender
And he's the only friend I need
You're gonna have yourself a drink
So have it but let me be
'Cause she ain't done nothing to you mister
She didn't do to me first of all
So if you can't say something good about her
Don't you say nothing at all

Well I've got the bartender...
