

Keep On Lovin' Me

Johnny Paycheck

When she needs someone to love her in the night
She calls on me and I'm right there
When she wants to be a woman a lover and a friend
She calls on me and I'm right there

There's ain't nothing in this world that she won't do
'Cause she gives the best of all she's got the way I want her to
Lord and I say keep on lovin' me babe and I'll keep on lovin' you
Just keep on lovin' me babe and I'll keep on lovin' you

That's all we need that's all we need
When she wants that feeling that's waitin' in my arms
She calls on me and I'm right there
Her door is always open and sweet love shines the way
When she calls on me and I'm right there
There's ain't nothing in this world...
