Loving You Beats All I've Ever Seen

Johnny Paycheck

Loving you, beats all, I've ever seen
I've been to Niagara Falls and it's beauty took my breath
I've watched the Matadors fight the bulls and stand so close to death

I've climbed the Rocky Mountains and dined with Kings and Queen s

But loving you, beats all, I've ever seen

Loving you is something special to me And with out you I can't help wondering what my life would be

I've watched LA light up at night and walked the great white way

I've stood on sandy beaches and watched the dawning of a day I've done most everything that are only in another mens dreams $\frac{1}{2}$

But loving you, beats all, I've ever seen Loving you, beats all, I've ever seen
