

# No Way Out

Johnny Paycheck

My life is like a room with no windows and no doors  
There's no way out and I don't look for one anymore  
These walls that surround me I built through life and now  
Heaven knows for me there's no way out

There's no way out there's no way that I can stop  
It's not the life I planned for me but it's all I've got  
Peace of mind is somethin' I've learned to live without  
'Cause heaven knows for me there's no way out

There's no way out and there's no way that I can stop  
I've known all along for me there's no way out
