

Release Me

Johnny Paycheck

Please release me let me go
For I don't love you anymore
To waste our lives would be a sin
Release me and let me love again

I have found a new love dear
And I'll always want her near
Her lips are warm while yours are cold
Release me my darling let me go

Please release me can't you see
You'd be a fool to cling to me
To live a lie would bring us pain
Release me and let me love again
Release me and let me love again
