

Hey Sharon Rae you are my life  
Wish I'd been half the man that you been a wife  
Hey Sharon Rae you stood by me  
Through dark times your love light shined and helped me see

So how do I pay back a bit of love like that  
When the word thanks ain't never enough  
How do I pay back a bit of love like that  
After you've dedicated your whole life givin' me love

Hey Sharon Rae you gave us our boy child  
Stood by me through these years I been runnin' wild  
Hey Sharon Rae you should of left me long ago  
Why you stood by me through all these years Lord I'll never know

So how do I pay back a bit of love like that...  
So how do I pay back a bit of love like that...
