## **Blame It On Mom**

## **Johnny Thunders**

Well maybe your Mother never told you Maybe your Father's too kind Well I'm gonna tell you baby I think it's just a waste of time Oh baby waste my time

Well baby baby what do you know I think it's time to go All the things that you say Baby it's the other way Oh leave me alone I wanna go home

\*repeat

Oh baby waste my time... (repeat)
