

# It'll Be Me

Johnny Winter

If you hear somebody knockin' on your door  
If you see something crawlin' across the floor  
Baby, it'll be me, and I'll be lookin' for you

If you see a head a-peepin' from a crawdad hole  
If you see somebody climbin' up a telephone pole  
Baby, it'll be me, and I'll be lookin' for you

Gonna look on the mountain and in the deep blue sea  
Gonna search all the forests and look and look in every  
tree

If you feel somethin' heavy on your fishing hook  
If you see a funny face in your comic book  
Baby, it'll be me, and I'll be lookin' for you

[Instrumental]

If you hear a thought a-callin' out in the night  
If you see somebody hangin' from a lamppost bright  
Baby it'll be me, and I'll be lookin' for you

Darlin' it'll be me, and I'll be lookin' for you  
Honey it'll be me, and I'll be lookin' for you

[Instrumental]

Yeah!
