

Love Someone

Joi Cardwell

There are somedays
When you need some help
Chasing the blues away
Thinking that nobody
Has ever felt
Your pain
I know sometimes
The road may seem
Rocky
Full of diverting paths
Keep your eyes
On the prize and never forget
To laugh
Love someone
Love yourself
That's what you gotta do before
You love someone
Know your mind
You will find
That you do know what's best
LOVE SOMEONE
That's what you have to do
It's up to you
What you have to do
Is love
