

## Darlin Ukelele

Jolie Holland

Darlin' Ukelele  
That I've been dreaming of  
Darlin Ukelele  
That I love

When I'm in San Francisco  
I'm dreaming all the time  
Deep in the park  
Where the constellations shine

Darlin' Ukelele  
That I been dreaming of  
Darlin' Ukelele  
That I love

Dreaming by the ocean  
Walking by the sea  
Talking to a starfish  
And the mermaids sing to me
