

# I'm Right Here

Jon B.

Baby I've got something I have to tell you  
Bout me addicted to this feelin here  
Now I know we've known each other for a while  
Now it's time I get this off my chest right now

Girl you need to be with me  
I can give you what you need  
I'm right here, I got just what you want  
You ain't never been in love  
No more wastin' time cause I'm right here  
I got just what you want

Just wanna be with you, riding together on 22's  
Layback in love, layback with you  
Now I know you're my friend  
But I'm tired of pretending everything is cool  
When I'm just tryin' to get with you

Girl you need to be with me  
I can give you what you need  
I'm right here, I got just what you want  
You ain't never been in love  
No more wastin' time cause I'm right here  
I got just what you want

La la la la la la la la, la la la la la la la la  
La la la la la la la la, la la la la la la la la  
La la la la la la la la, la la la la la la la la

La la la la la la la la, la la la la la la la la

Girl you need to be with me  
I can give you what you need  
I'm right here, I got just what you want  
You ain't never been in love  
No more wastin' time cause I'm right here  
I got just what you want

Girl we waited all night, now I wanna talk to you  
I'm in the place, just wanna jam with you  
I got just what you want  
Waited all night, now I wanna talk to you baby

Girl you need to be with me  
I can give you what you need  
I'm right here, I got just what you want  
You ain't never been in love  
No more wastin' time cause I'm right here  
I got just what you want
