

Little Person

Jon Brion

I'm just a little person,
One person in a sea
Of many little people
Who are not aware of me.

I do my little job
And live my little life,
Eat my little meals,
Miss my little kid and wife

And somewhere, maybe someday,
Maybe somewhere far away,
I'll find a second little person
who will look at me and say,

"I know you
You're the one I've waited for.
Let's have some fun."

Life is precious every minute,
and more precious with you in it,
so let's have some fun

We'll take a road trip way out west.
You're the one I like the best.
I'm glad I've found you,
Like hangin round you
You're the one I like the best.

Somewhere, maybe someday,
Maybe somewhere far away,
I'll meet a second little person
And we'll go out and play.
