

# Michael Jackson Is Dead

Jon Lajoie

"Oh my God, did you hear about Michael Jackson?"

"Yeah, I heard about Michael Jackson. It's crazy, right?"

"Yeah, I can't believe it. All of a sudden the media's on his side."

"I know, it's crazy, right?"

Michael Jackson is dead  
Don't pretend you give a shit  
You motherfuckin' hypocrites  
Remember what you said he did  
Michael Jackson is dead  
No, you never gave a shit  
So why are you pretendin'  
You motherfuckin' hypocrites?

"Michael Jackson's such a freak"  
You'd hear it a thousand times a week  
On every fuckin' TV screen  
And every fuckin' magazine  
Yeah sure we liked him for a while  
For a few years when he was in style  
Then someone said he's a pedophile  
And fuckin' boys is what makes him smile  
Then there was a punchline every day  
About his Skeletor-like face  
And how he loved twelve year old balls  
We didn't care if it was true or false  
So don't pretend that you give a fuck  
Keep talkin' 'bout how he sucked twelve year old cock  
And went from being a cute little black kid  
And died as a white skeleton robot

Michael Jackson is dead  
Don't pretend you give a shit  
You motherfuckin' hypocrites  
Remember what you said he did  
Michael Jackson is dead  
No, you never gave a shit  
So why are you pretendin'  
You motherfuckin' hypocrites?

Remember when he dangled his kid from a balcony?  
I wasn't hearing you call him legendary  
And when we heard that shit about the Culkin kid  
We said "Oh my God, Jacko's motherfuckin' sick!  
He likes fucking kids! He likes fucking kids!"  
Nobody was talkin' 'bout his music  
Now if I say he died chokin' on a kid's dick  
You say "Oh my God, that's so offensive!"  
Well fuck you you motherfucking cunt-ass bitch  
Everyone in the news you hear from motherfucking cribs  
On your high horse sayin' that I'm a demon  
Cuz I say he overdosed on a boy's semen

Michael Jackson is dead  
Don't pretend you give a shit  
You motherfuckin' hypocrites  
Remember what you said he did

Michael Jackson is dead  
No, you never gave a shit  
So why are you pretendin'  
You motherfuckin' hypocrites?

"Oh, it's so sad that Michael passed away,  
We loved him so much."  
Really? Really, did you love him?  
Cuz from where I'm standing it kinda looked like you hated him  
And that you called him a freak and that you wanted him to die  
But now that he's dead, you love him  
And he's a legend and he's so amazing  
And "We love Michael Jackson!"  
How about you go fuck yourself you big bunch of fuckin' hypocrites?  
Here, I'm going to do this for you  
I'm going to do this for you

Billie Jean was not his lover  
Of course she wasn't, she had a vagina  
And she was older than twelve years old

Fuck you, hypocrites
