

Anybody Else

Jon McLaughlin

Hello, hello
How long has it been?
I think about you every now and then
It's good to see you doing so well
Oh no, right now I'm not with anybody else

You dyed your hair
It makes your eyes look blue
Are you still wearing that same perfume?
I moved to the city
Got a place all by myself
Oh no, right now I'm not with anybody else

I heard you took that job down south
Now, is that the one you'd always dreamt about?
These days, I keep all my suits up on the shelf
No point in dressing up for anybody else

And I got oceans of time
Oceans of time to sink
And I got oceans of time
Oceans of memories

Sometimes a word or a line from a song
Can send me back to when we had it all
But in the end, you play the cards you're dealt
And I'm not ending up with anybody else

And I got oceans of time
Oceans of time to sink
And I got oceans of time
Oceans of memories

Oh ohhh ohhh ohhh
Oh ohhh ohhh ohhh

Ain't it crazy how time seems to fly?
It feels like forever since you were mine
But I still remember the way that it felt
And it's just not the same with anybody else
