

## Dying To Live

Jonah33

Come on, come on  
Let's rise from the ashes  
Let's forget about yesterday  
Come on, come on  
Let's run for daylight  
Maybe we can find a better way  
So run with me

We're dying to live  
Dying to love  
Dying to be  
Everything we've dreamed of  
Starving for hope  
Searching for change  
And we'll fight until the end  
We're dying to live

Let's bet all we have  
On one last shot  
May our hearts burn with fire  
Let's keep pressing on  
No this is not the end  
It's time to take back life  
So run with me

We're dying to live  
Dying to love  
Dying to be  
Everything we've dreamed of  
Starving for hope  
Searching for change  
And we'll fight until the end  
We're dying to live  
We're dying, we're dying  
We're dying to live
