

# Baba Oh

Jonathan Nelson

I don't know where you are  
I know you in the building somewhere  
I had a chance to go to, Africa  
And, there was a sound  
There's a word release called Baba  
Which means father  
An I heard this young man by the name of Sonnie Badu  
Who's absolutely anointed  
And he sings something like this

Open the flood gates, in abundance  
And cause your rain to fall on me  
Open the flood gates, in abundance  
And cause your rain to fall on me

We're in your presence let it rain  
Oh, your rain (Jesus)  
We're in your presence let it rain  
Oh, your rain  
Let it fall on me (everybody help me say)

Open the flood gates, in abundance  
And cause your rain to fall on me  
Open the flood gates (come on everybody lift your voice)  
In abundance and cause your rain to fall on me

(Baba oh) Baba oh  
(Come on everybody just sing it to him)  
Let it rain (baba oh)  
Let it rain  
Let it rain  
Let it rain  
(Baba oh)  
Let it rain  
Let it rain  
Let it rain  
(Baba oh)  
Let it rain let it rain  
Let it rain let it rain  
(Baba oh)  
Let it flow  
Let it flow let it flow  
Let it flow let it flow  
Rain on me rain on me  
(Baba oh)  
Rain on me rain on me  
Rain on me rain on me  
(Baba oh)  
(Come on everybody say open the flood gates)  
(Everybody sing)  
Open the flood gates, (just you and God) in abundance  
(And cause your rain) And cause your rain  
To fall on me (to fall on me)  
Open the flood gates, in abundance (in abundance)  
And cause your rain to fall on me  
Say!  
(Baba oh) Baba oh

Hey, hey, hey now now  
We need some rain  
We need some rain  
We need it, we need it  
Baba oh  
Right now, right now, right now right now  
Baba oh  
Right now, right now not tomorrow right now  
Baba oh  
Now now now  
Baba oh  
Now now now  
Right now, right now, right now  
Baba oh  
Right now, right now  
Baba oh  
[\*crowd cheering\*]  
America, would you clap your hands  
For my new African brother Sonnie Badu
