

# Called To Be

Jonathan Nelson

In the journey of life  
There are winding roads  
Mountains high and valleys low  
Though the road ahead may be unknown  
I'm still focus on the prize that worth pressing for

I will be what you called me to be  
I say Yes,  
Lord I agree  
My desire, passionately  
Is to be what you called me to be  
That's what I'll be

All road sign read destiny  
I'll follow where ever you lead  
Nothing can hinder me  
For the prize is all I see  
I see

I will be what you called me to be  
I say Yes,  
Lord I agree  
My desire, passionately  
Is to be what you called me to be  
That's what I'll be

I say Yes, Yes, I agree  
[Repeat over & over]
