

Capacity

Jonathan Nelson

Increase my capacity for You, oo... God erupt, inside of me
Inhale, exhale, freely breathe.
God erupt, inside of me
Inhale, exhale, freely breathe into me.

Increase my capacity for You, oo... God erupt, inside of me
Inhale, exhale, freely breathe.
God erupt, inside of me
Inhale, exhale, freely breathe into me.

Father, as we stand in Your presence,
We realize that it's in You
We live and move and have our being,
And apart from You we are nothing.
We're like the deer that pants after the water,
So our souls long after thee tonight.
It's our hearts' cry as we stand
In Your presence,
That You will begin to breathe within us
Oh, breathe...

Breathe... breathe... breathe...
Breathe on me.
