

Fearless

Jonathan Nelson

My faith is stronger now
My faith is stronger now
I'm free no longer bound
I'm free no longer bound
I'm fearless yes I'm brave
I'll shout out Jesus praise

I'll be bold like a lion
I will roar through this fire
I'll be a light
That will show so bright
I'll be a light
That will show so bright
I'll be fearless
I'll be fearless
I'll be fearless
Oh oh oh oh oh
Oh oh oh oh oh

My faith is stronger now
My faith is stronger now
I'm free no longer bound
I'm free no longer bound
I'm fearless yes I'm brave
I'll shout out Jesus praise
I'm fearless yes I'm brave
I'll shout out Jesus praise
I'm fearless yes I'm brave
I'll shout out Jesus praise

I'll be bold like a lion
I will roar through this fire
I'll be a light
That will show so bright
I'll be a light
That will show so bright
I'll be fearless
I'll be fearless
I'll be fearless
Oh oh oh oh oh
Oh oh oh oh oh

Wake my people
Gotta fly like an eagle
Got God by my side
Then - Why will I fear evil
No ghost or goblin
Uh
Can move my feet so
We stand on a rock
We bold as lions
In the Holy ghost
My God this is real life
Are we saying this is a real fight
You can knock a good man down
Understand that he will rise

Smooth stone and a sling shot
Jus' like David and Goliath
Oh look boy this is your time
Who should we fear now?
Ain't we on the Lord's side?
Free from the traps and sin
[?]

Oh I won't be ashamed
I'll be fearless two
Shout out Jesus praise
I'll be fearless two
No I won't be ashamed
I'll be fearless two
Shout out Jesus praise
I'll be fearless two
No I won't be ashamed
I'll be fearless two
Shout out Jesus praise
I'll be fearless two
No I won't be ashamed
I'll be fearless two
Shout out Jesus praise
I'll be fearless two
No I won't be ashamed
