

Rehoboth

Jonathan Nelson

There's new place
That's tailor made for you
Where God can expand you
It's where he's making room
Prosperity and blessings, are there too
For you and me
For us
The favor of the Lord is in that place
Where he's made space
For you and me, for us

Rehoboth God has made room for us
God has made room

Everywhere I look I see
Blessings

He's pouring out blessings
And I receive it

Rehoboth he's made room
