

## Couples Must Fight

Jonathan Richman

Couples must fight, couples must argue  
from time to time, to clear the air  
when all is calm, that's when it's hard to  
but they must argue, couples must fight  
Well my heart knows pain, my heart knows sorrow  
My heart knows wrongs it could never make right  
but for a better day tomorrow  
couples must argue, couples must fight  
my heart knows pain, my heart knows sorrow  
My heart knows wrongs it could never make right  
so for a better day tomorrow  
couples must argue, couples must fight
