Good Friends

Joni Mitchell

I have to come and see you maybe once or twice a year
I think nothing would suit me better than some downtown atmosphere
In the dance halls and the galleries
Or betting in the OTB
Synchronized like magic
Good friends you and me

The sun goes down in Jersey
Rises over Little Italy
We could talk it up
'Til the block gets up
Swapping stories
Sitting around in some all night zoo
Watching it run like a movie
Synchronized like magic
Good friends you and me

No hearts of gold No nerves of steel No blame for what we can and cannot feel

But now it's cloak and dagger Walk on eggshells and analyze Every particle of difference Gets like mountains in our eyes You say "You're unscrupulous!" You say "You're naive!" Synchronized like magic Good friends you and me

No hearts of gold No nerves of steel No blame for what we can and cannot feel

Sometimes change comes at you like a broadside accident There is chaos to the order Random things you can't prevent There could be trouble around the corner There could be beauty down the street Synchronized like magic Good friends you and me

No hearts of gold
No nerves of steel
No blame for what we can
and cannot feel
No nerves of steel
No hearts of gold
No blame for what we can and
can't control

Good friends you and me

Good friends you and me
