

# Touch

Jonny Lang

When I was only just a friend to you  
All I wanted to do was get to know you better  
Now I wanna give my heart to you  
Tell me do you feel like I do when were together

Cause I come alive with your touch  
Your touch it always sets me free  
I can't get quite enough  
Too much of you is what I need  
Yes I know you're the one  
Cause love has come alive in me

Tell me am I out of line  
Tell me if I'm wasting time, I don't mind  
Giveing my love to you  
I can't help it baby  
If I asked you would you say I do

Cause I come alive with your touch  
Your touch it always sets me free  
I can't get quite enough  
Too much of you is what I need  
Yes I know you're the one  
Cause love has come alive in me

Tell me why do I always have to tell you how I feel  
Can't you see you're the one, the only thing  
That ever meant something to me  
And I need your touch  
To come alive

(I come alive, I come alive, I come alive)  
Nothing else is like the way you make me come alive
