

Kiss It Away

Jordan Knight

I, I know alot has changed
it ain't the same
i was givin you the chance to prove me wrong
But all along you just dug a hole deeper
I'm done with trynna figure you out

You played with my lovin now you got nothin
bet you never saw this comin

'Cause everyday your tearin me apart
so everything I gave from my heart
kiss it away (you might as well just), kiss it away (so turn the ligh
ts out)
now put your lips like this and close you eyes
time to kiss our love goodbye
just kiss it away (you might as well just), kiss it away

You are not who you portray
in any way such a beautiful
disguise the smile I had
left me with a hangover
finally I figured you out

You played with my lovin now you got nothin
bet you didn't see this comin

'Cause everyday your tearin me apart
so everything I gave it from my heart
kiss it away (you might as well just), kiss it away (so turn the ligh
ts out)
now put your lips like this and close you eyes
time to kiss our love goodbye
just kiss it (you might as well just), away kiss it away

I knew it was a matter of time before it came to this
it took alot of courage to say I'm done with this so long baby
I got alot to do and I really wish the best for you girl
just accept this kiss goodbye

'Cause everyday your tearin me apart
so everything I gave it from my heart
kiss it away (you might as well just), kiss it away (so turn the ligh
ts out)
now put your lips like this and close you eyes
time to kiss our love goodbye
just kiss it away (you might as well just), kiss it away (just kiss i
t away)

Kiss it away
kiss it away
kiss it away
kiss it away
