

# Let's Go Higher

Jordan Knight

You're rattling my world like an earthquake  
I am up in the clouds like ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Somebody bring me down again  
I am trying to keep you real where it feels faith  
But I don't know how to do ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
I am losing solid ground again

Don't pitch me, I am falling in love  
And if I am dreaming this  
Baby then don't wake me up  
You got me hoping and wishing  
That this could last for one more night  
Baby you and me  
We can take it to the middle of the dance floor  
And I got what you need  
Tell the DJ keep it spinning on the dance floor  
And let's go higher (let's go higher)  
Let's go high  
Let's go higher (let's go higher)  
Let's go high

You could set it off if you want it  
All you gotta do is ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Your body is calling me, yeah  
And I don't want to have any regrets  
When I am next to you it's like ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Your touch is all I need, oh yeah

Let the roller-coaster take me up and let me fall  
Just as long as you're by my side I'll go through it all

Baby you and me  
We can take it to the middle of the dance floor  
And I got what you need  
Tell the DJ keep it spinning on the dance floor  
And let's go higher (let's go higher)  
Let's go high  
Let's go higher (let's go higher)  
Let's go high  
Get higher for love
