The Fix

Jordan Knight

Damn it's been some time
since I had the chance to just unwind
I'm looking just to go hang out all night
and hopefully the night keeps getting wild

I really really need to find someone
That doesn't mind to chill and have some fun
'cause I rarely do this but this ain't my town
a sexy tour guide who throws it down would really do the trick

All alone, no-one to be with, step on the dancefloor 'cause I need a fix
All alone, no-one to be with, step on the dancefloor 'cause I need a fix

No no no no no no no he didn't
No no no no no no no he didn't (No he didn't)
People don't get me wrong
Excuse me Jordan Knight it's on

Now it's time to do what I'm supposed to (JK get your mac on)
Take ya to the bar and bring your friends too
'cause we need a drink, ain't no time to think
We gotta get it while it's good
'cause I think it's understood
that you're my F...I...X and that includes...
take off your dress, 'cause I wanna rub your...
Night vision camcorder how does that sound?
So me and you can do some baum chica baum baum
I'm freaky, wanna get kinky, girl I can't wait for you to get with me 'cause
...

All alone, no-one to be with, step on the dancefloor 'cause I need a fix
All alone, no-one to be with, step on the dancefloor 'cause I need a fix

No no no no no no no he didn't
No no no no no no no he didn't
But don't get me wrong
Excuse me Jordan Knight it's on

Thanks girl 'cause I needed a fix
you gave more than a hug and a kiss

If I may say this kindly, can I spank your heiny
I'm freaky, wanna get kinky
