When You're Lonely

Jordan Knight

I know he hurt you
I see you cryin'
Girl I can stop the rain from falling
Just let me hold you
I want to tell you
All the things you need to hear

Let me be the one you need
Everything you want I'll be

Baby when you're lonely
I'll be there to dry your tears
Baby when you're lonely
Don't you worry I'm right here

He always told you
He never showed you
Love is more than saying the words
Someone to talk to
Someone to listen
Something that I know you've been missing

Let me be the one you need
Everything you want I'll be

Baby when you're lonely
I'll be there to dry your tears
Baby when you're lonely
Don't you worry I'm right here

To take away the pain you feel
You never had a love that's real
I will always be holding you close to my heart
Girl we'll never be apart

Baby when you're lonely
I'll be there to dry your tears
Baby when you're lonely
Don't you worry I'm right here
