

Where Is Your Heart Tonight

Jordan Knight

Yeah, yeeeeeeah
Sitting here waiting for tomorrow
All because of yesterday
I wish I had all the answers
For all the things you had to say

I wanna come and change your mind girl
No lies and no more games

Never thought of missing you
Never thought I'd need you
Before you left tonight
Since I can't be reaching you
And since I won't be holding you
Will it be alright?
And how can you just say we're though after all this time
I'm standing here with open arms
The thought just crossed my mind
Where is your heart tonight?

Sitting in loneliness and sorrow
I only have myself to blame

Had a good girl and I lost her
I start to cry and feel ashamed

I wanna come and change your mind girl
No lies and no more games

Never thought of missing you
Never thought I'd need you
Before you left tonight
Since I can't be reaching you
And since I won't be holding you
Will it be alright?
And how can you just say we're though after all this time
I'm standing here with open arms
The thought just crossed my mind
Where is your heart tonight?

I'll never understand what ever happened to us
What ever happened to us
Whenever I think of you the sun is shining above
Ooooh yeah
