

Live It While You Got It

Josh Abbott Band

She said to take a left we got a story to write
And it ain't pennies that are going in the fountain tonight
I'm looking all around, she said nobody knows
You're gonna wanna start taking off your clothes
And I'll never forget the way she said

You gotta live it while you got it
You gotta live it while you got it
Don't be afraid at the end of the day
You gotta live it while you got it

I pulled her in real close she said keep to keep her warm
Kissing's nice but it takes a little more
I'm reaching for our clothes, she wisper in my ear
Where we going when we're already here

You gotta live it while you got it
You gotta live it while you got it
Don't be afraid at the end of the day
You gotta live it while you got it

You gotta live it
While you got it
You gotta live it
While you got it

You gotta live it while you got it
You gotta live it while you got it
Don't be afraid at the end of the day
You gotta live it while you got it

You gotta live it
While you got it
You gotta live it
While you got it

She said to take a left we got a story to write
And it ain't pennies that are going in the fountain tonight
