

# Oh, Tonight

Josh Abbott Band

## Verse 1

I grab your hand and you say "wait."  
I say "no girl it's way too late."  
We've been playing games for weeks,  
now I'm ready to play for keeps.

## Chorus

Oh, tonight, we're gonna set the world on fire.  
I'm gonna set aside my pride.  
Not gonna be the one to say "goodbye,"  
Neither am I...Oh, tonight.

## Verse 2

So go on kiss me on the mouth.  
You know you want to; you should've done it by now.  
Girl you don't know how long I've tried,  
been fighting feelings deep inside.

## Bridge

So tell me what you want me to do.  
Oh, it's too late baby I've already fallen in love with you.
