

Oughta Get Drunk

Josh Abbott Band

Uh huh, man, somebody pour me drink (haha)

We all had us one hell of a week
Took it on the chin, took it on the cheek
Now it's Friday night and if you ask me
Everybody oughta get drunk
Spend too much time being too uptight
Party on low, worry on high
I think it's about time we put it on ice
Everybody oughta get drunk (hey, hey, hey)

Pop the top on the tailgate
Carolina out to LA
And you're sitting in the middle and what do you say
Everybody oughta get drunk (hey, hey, hey)
Something strong, something to chase
Big Apple to the Golden Gate
And you're sitting in the middle and what do you say
Everybody oughta get drunk (hey, hey, hey)
Everybody oughta get drunk

If you're looking for trouble or looking for fun
Tryna get lucky, tryna be someone
Or every other situation under the sun
Everybody oughta get drunk (hey hey hey)

Pop the top on the tailgate (hey)
Carolina out to LA
And you're sitting in the middle and what do you say
Everybody oughta get drunk (hey, hey, hey)
Something strong, something to chase (hey)
The Big Apple to the Golden Gate
And you're sitting in the middle and what do you say
Everybody oughta get drunk (hey, hey, hey, hey)
Everybody oughta get drunk
(Everybody oughta get drunk)

Arizona, Alabama, Idaho, and Ohio
Luckenbach, Lincoln, Nebraska, Tennessee, Tokyo (hey, hey, hey)

Pop the top on the tailgate (hey)
Carolina out to LA (hey)
And you're sitting in the middle and what do you say
Everybody oughta get drunk (hey, hey, hey)
Something strong, something to chase (hey)
The Big Apple to the Golden Gate (hey)
If you're sitting in the middle and what do ya say
Everybody oughta get drunk (hey, hey, hey, hey)
Everybody oughta get drunk (hey, hey, hey, hey)
Everybody oughta get drunk
