

## Children's Song

Josh Garrels

Down on my knees praying "Please, have mercy now"  
Christ, my shelter in a world that tries to drag me down  
Open your mind, open your heart, open up your soul  
Jesus, come in and make a broken man whole

Rise up in glory  
Raise your hands to the risen king  
He's God almighty  
Listen to his children sing  
Let 'em sing

Hallelujah to our king  
Hallelujah, ruler over everything, children sing  
Hallelujah to our king  
Hallelujah, ruler over everything

Carry the cross, carry the pain, carry the love  
We don't belong here but to the father above  
Jesus in heaven and Jesus in hell below  
Paid for our sins, broken body with the red blood flows

Rise up in glory  
Raise your hands to the risen king  
He's God almighty  
Listen to his children sing  
Let 'em sing

Hallelujah to our king  
Hallelujah, ruler over everything, children sing  
Hallelujah to our king  
Hallelujah, ruler over everything

In this world you will have trouble  
But Jesus overcame the world  
And our body is his temple  
And we will worship forevermore

Listen to his children sing

Hallelujah to our king  
Hallelujah, ruler over everything, children sing  
Hallelujah to our king  
Hallelujah, ruler over everything
