Josh Garrels

It's a new day, things are gonna change
It's a new day, things are gonna change
It's a new day, things are gonna change
It's a new day, things are gonna change

It's a new day, things are gonna change
It's a new day, things are gonna change
It's a new day, things are gonna change
It's a new day, things are gonna change

It's a new day, things are gonna change
It's a new day, things are gonna change
It's a new day, things are gonna change
It's a new day, things are gonna change
Forever
