

Lucky Stars

Josh Gracin

I take a lot for granted
Sometimes I don't say I'm sorry when I should
This life that I've been handed
Probably shouldn't be half this good
But something bout the moonlight
Something bout your brown eyes tonight
Is making me realize that I
Would be a damn fool if I didn't

Count my lucky stars
To get to be anywhere you are
I wanna hit my knees and thank the good lord
For every wrong turn and every scar
That led me to the one who has my heart
And count my lucky stars

There ain't no way around it
I'm the worst at getting in my own way
I don't deserve it but I found it
Someone who loves me anyway so I

Count my lucky stars
To get to be anywhere you are
I wanna hit my knees and thank the good lord
For every wrong turn and every scar
That led me to the one who has my heart
And count my lucky stars

I wanna hit my knees and thank the good lord
For every wrong turn and every scar
That led me to the one who has my heart
And count my lucky stars
And count my lucky stars
Count my lucky stars
